HAMLIN, JONES COUNTY, TEXAS

FRIDAY, JUNE 7, 1940

NUMBER 32

## LET US PREPARE FOR PEACE NOW

The Government has launched a preparedness program which will require the assistance of every staunch citizen, we have carried and are now carrying far too little insurance. America will prepare, our future must and will be assured, there must never be any doubt about this.

Therefore I appeal to Editors, businessmen, public officials and all loyal citizens to assist the Navy Recruiting Service in enlisting as many as possible of the 25,000 men needed to bring our Navy up to a new peace time record.

The ranks of the Navy from top to bottom are shot through with staunch, sturdy, alert, capable and loyal Texans, the Commander-in-Chief of the United States Fleet being a native Texan. So as Officer-in-Charge of Naval Recruiting for West Texas my intentions are to secure as many men as possible during the next four months. Opportunities are better than ever for ambitious young men between the ages of 18 and 31, to earn, learn, travel and serve in our country's Navy, literally the cradle of Americanism and American liberty.

## C. J. Preston Suffered Severe Injuries Sat.

C. J. Preston, a Hamlin Santa Fe brakeman, was badly injured at the Plasterco yards, Saturday morning, June 1, about one o'clock when he was thrown from a car on which he was setting brakes.

He was taken to the Stamford hospital for first aid and on Sunday he was carried to the railroad Clinic Hospital at San Angelo.

Mr. Preston had both bones in the right elbow joint broken and other injuries to the arm. He also had a severe bruise on the back but indications did not show bones broken, according to reports.

## FORMER HAMLIN MAN INJURED IN SAN ANGELO

Molly Craddock, Santa Fe switchman at San Angelo, and formerly of Hamlin, suffered severe injury on Tuesday night when one foot was cut off and all the toes off the other.

## Hamlin Students At H.-S. U. Win Honors

The Herald is pleased to note that Hamlin students won high honors at the close of Hardin-Simmons University exercises.

In the past two years, Hamlin has furnished one very unusual student. Her name is none other than Mrs. Tate May. Mrs. May determined two years ago to return to college and complete her degree. This is probably the cause for her banker husband to have looked so "off-cast, down-hearted and lonely" the past year or more. Tate, however says he is entitled to some of the high honors his wife won during the two years of university work. Part of this time, Tate could hardly tell whether he resided in Hamlin or Abilene.

Taking the verbatim report as found in a daily paper, we note that "Mrs. Tate (Miltia McIntosh) May of Hamlin graduated summa cum laude, with four-year average of 95 or higher." Now it is possible that Tate knows what those three Latin words mean (we do not) but it is something that means that Mrs. May has done extra fine work and stands in the three high in this year's class.

Mrs. May majored in education and English. Previous to entering Hardin-Simmons, Mrs. May graduated from Coleman High School, attended Texas Wesleyan college and Texas State University.

Special award went to Miss Lettia Ubben, who received the A. M. Carpenter art medal. Miss Ubben is a daughter of Mr. and Mrs. J. Ubben of Hamlin. Mrs. May shared equally in the Menter medal award, with Rupert Richardson, Jr., son of the recently acting president, R. N. Richardson and wife.

Mr. May also had the pleasure of seeing his son, James Tate graduate this year from Abilene High school, who was an honor student.

Bob Jack Low and Floy Hudson were chosen as delegates to McMurray for the annual M. E. Young People's summer assembly, an inspirational conference and training course for the church young people of West Texas. They are sent by the local church, with expenses paid on merit of their past service in the church.

Bob Jack Low is the retiring president of the young people's department, having served the past two years. Miss Hudson is the new president of the department, and is secretary of the young people of this district.

Loans will run for forty years with 3% interest, and no down payment required. They are open to all tenants, share-croppers and laborers, but preference will be given to applicants already owning livestock and equipment.

There were five farms bought in Fisher County through the FSA program in 1940. The five farmers were: U. S. Branscum, Hamlin; E. H. Tompson, Sweetwater; W. L. Clegg, Rotan; James A. Murff, Rotan; W. A. Clements, Dowell.

These farms average 248 acres, and cost \$9,468.00 including, land, improvements and buildings.

There is a local committee composed of three farmers of Fisher County who select the applicants and who approve the farms selected by these applicants. After the applicant is selected and the farm approved by the local committee and the Rural Supervisor and Home Supervisor, there will be an appraiser and engineer from the Regional Office of the FSA located in Dallas, Texas, to make the final appraisal value of the farm.

Anyone who wishes to sell a farm should list it with the Rural Supervisor in Roby. For further information contact Horace D. Gilmore, Rural Supervisor, Fisher County, Roby, Texas.

## Hamlin Girl One Of Graduates Of TSCW

MISS LOIS FAYE ANDERSON

Special to Hamlin Herald  
DENTON, June 4.—Miss Lola Faye Anderson of Hamlin graduated from Texas State College for Women at the annual June commencement exercises Monday morning June 3, when 348 degrees were conferred.

Daughter of Mr. and Mrs. V. V. Anderson, Miss Anderson received a bachelor of science degree in home economics education, with a minor in physical science. She was a member of the Mary Swartz Rose Club, a home economics honorary organization, and was a student government counselor. She also attended McMurry College in Abilene.

Dr. L. K. Hubbard, president of TSCW, delivered the commencement address. Activities for the graduates included homecoming festivities club luncheons, a tea given by the president's wife, ex-students' banquet, and the traditional senior garden party.

Baccalaureate services were held Sunday morning, June 2, when the Methodist Bishop Hiram A. Boaz officiated. Sunday afternoon Carl Wiesemann, associate professor of piano and organ at the college played an organ recital in the college auditorium. An administrative tea Sunday followed the recital honored graduates and their families.

## To Aid Fisher County Farmers Buying Farms

Fisher County has been selected as one of the counties of Texas to purchase farms in 1940 through the Farm Security Administration.

Applications will be taken at the Roby FSA Office from June 3, until July 6, 1940.

Loans will run for forty years with 3% interest, and no down payment required. They are open to all tenants, share-croppers and laborers, but preference will be given to applicants already owning livestock and equipment.

There were five farms bought in Fisher County through the FSA program in 1940. The five farmers were: U. S. Branscum, Hamlin; E. H. Tompson, Sweetwater; W. L. Clegg, Rotan; James A. Murff, Rotan; W. A. Clements, Dowell.

These farms average 248 acres, and cost \$9,468.00 including, land, improvements and buildings.

There is a local committee composed of three farmers of Fisher County who select the applicants and who approve the farms selected by these applicants. After the applicant is selected and the farm approved by the local committee and the Rural Supervisor and Home Supervisor, there will be an appraiser and engineer from the Regional Office of the FSA located in Dallas, Texas, to make the final appraisal value of the farm.

Anyone who wishes to sell a farm should list it with the Rural Supervisor in Roby. For further information contact Horace D. Gilmore, Rural Supervisor, Fisher County, Roby, Texas.

Young Physician Has  
New Office In Hamlin

Dr. Nelson W. Alexander of Jonesburg, Missouri, is opening an office in the Waggoner Building this week to make this city his home.

Dr. Alexander finished his interne work in the Langhlin Hospital in Kirksville, Mo., and since then did general practice for two years in Jonesburg. In looking for a location in Texas, he said Hamlin looked good to him and the delightful cool nights of West Texas settles the question. Dr. Alexander's wife is visiting with her parents in Missouri and will join him in Hamlin in a month or so.

## Good Soft Water In Hamlin Has Almost Caused Tragedies

Why not be proud of a big lake full of fine soft water?

The filtration plant has proved its ability to clear fresh caught muddy water. The cost of the clarification is considerable, but more water is being used as a result of the quality. Many complain that they can not get enough to satisfy their thirst since the change from "gyp" to soft water has been realized.

Not only in the drinking and bathing does the new soft water give Hamlin people unusual satisfaction, but they are seeing a lot of difference in the way grass and flowers respond to the water. No longer do we see white substances on the flower beds after watering.

With plenty of fine soft water, Hamlin yards and lawns will make Hamlin a prettier town. With most of our water coming from the New lake the old lakes will continue almost top full and make the finest fishing place in West Texas. But when any community depends entirely on rain for their supply of water, reason teaches one that times will come when any kind of water will be scarce.

Several near tragedies have been reported in Hamlin since last Thursday. You understand that home accidents are more dangerous than any other place. Bath tubs are the guilty sources too, accounting for more hurts than any household article.

A certain Methodist minister, who came down to Hamlin from the Plains last fall, returned last Friday from a trip over in "watery Arkansas and Tennessee" and needed shave. His mind was floundering around on a thousand places and things, and he unconsciously sifted into his shaving mug a lot of powder, as usual. He wiggled his brush as usual, while his eyes and mind wandered aimlessly about the room and suddenly he looked down and the soapy foam was running all over the mug onto his hands, and he dashed out to show the wonder to his wife. The result was that he got a good scolding for soaping the hardwood floors with the soft water solution.

Another man was seen Sunday morning with a bandage on the side of his head. He had to acknowledge that he slipped in his foamy, soapy, slippery tub. He said it was Saturday night, and the last time he was in the tub he could dance a jig on the rough tub bottom so before he knew it, he slipped and fell. Too bad. Not everything that has happened in our soft water has been told yet, but time will tell.

The new lake has been visited by many people during the past few days. Everyone is well pleased with its looks. They can begin to visualize what it will look like when another seven feet of water has been added, when it is full and running around it will be a sight worth seeing.

Earache? Daviss Drops—Inzer

## MR. RENTER DO YOU WANT OWN FARM?

Applications for the purchase of farms in the Tenant Purchase Program of Jones County will be taken from June 3rd to July 6th. If you are interested in purchasing a farm in this program, call at the Farm Security Office, third floor of courthouse, Anson, Texas for your application blank. Robert C. Cross, Rural Supervisor.

The Herald will suggest that as many as think themselves entitled to secure a home by this method to make application. But only a few can be selected, and the great number wanting to secure homes will serve to impress Congress with this great field of service to the State of Texas.

## John Hassen Store Is Quitting Business Here

All this week a big sign has been displayed at the door of the John Hassen Department Store, saying, "Quitting Business Sale."

The Herald regrets to announce for anybody that they are leaving such a good town as Hamlin. But John Hassen seems to be trying to concentrate all his stores within one town, Sulphur, Oklahoma.

This week his head sales-Advertiser, Mr. and Mrs. E. V. Pollan and Mr. R. A. Saab, all of Sulphur, have been shaping the Hamlin store for the close-out this month. The first hour of this final sale will be Friday morning and according to Mr. Pollan, they are going to leave every item and yard of goods the store has with the people of this community. Several thousand circulars have been sent out of the Hamlin office and this means only a part of their stock, can be listed. In this issue of the Herald this firm is placing what they say about their sale, in the many homes receiving the Herald. Mr. Pollan says that till the store closes its doors for good, special listings will appear in the Herald from week to week.

The Herald had much rather tell of the store taking a new hitch of expansion to retain its place in Hamlin business district.

Mrs. Freida Schoemann left Thursday of last week for New York where she met a son, Ernest Schoemann, a brother and a sister. The sister arrived last week from Germany by way of Italy.

## Observations On The WORLD WAR

### ONLY ONE THOUGHT.

—Why try to dismiss the terrible thought of the war in Europe? It is on everybody's mind, during every waking moment, and causes troubled sleep for many. All this does no special good, but it does mark in a manner, how the minds of Americans react to a terrible condition.

—There is no use in the United States, and for that matter all democratic nations in the world, to stick their heads in the sands of self sufficiency, acting like an ostrich, and let Germany beat the tail off of everyone who refuses to obey Hitler.

—American people are almost unanimous in wanting all restrictions cut away so that this nation can do its duty to the nations who are fighting Germany. We help ourselves when we help England and France. All that we have will be valueless if Germany conquers those two nations. Our welfare is so entwined with the life and holdings of England and France till our welfare is bound up with theirs. Yes, they should have every pound of iron for machines and we should key up to build monster machines for their use. Who is to pay for such machines? That is a governmental problem. The people possess the materials, the money, the will and patriotism, plus good sense, to throw everything we have as a nation of 140 million people into a fight for all mankind. The longer we delay the more we will have to sacrifice. We should act like men, not mice.

—Ye Herald has just reviewed the paragraphs in this column, in the papers of September 1939 and later. Then we were trying to pull aside the curtains of facts and at-

tempting to see this day of 1940. We said then that there is no such thing as neutrality for a people who see their "very own" being crushed by a ruthless dictator's heel. Why not come out and tell all Hitlers that we are against them, flat-footedly, and that in this nation every ounce of what we have can be used, on any terms to stop such bloody murdering and robbing, and if they do not like it, make the best of it and be hanged.

—This Wednesday morning, June 5, Hitler and his willing Germany are throwing every pound of steel and explosive against the French army, following the unheard of crushing defeat of the English, French and Belgium armies on Flanders fields the past two weeks. It would seem that Italy, like a craving hyena is poised to tear the back of France while they face the Germans.

—Again, we say this is no time for political wrangling in this dear nation of free America. Sell to the allies, loan to them, carry to them—is Americanism.

### WHAT THEY SAY

"I sincerely believe that our government should immediately place at the disposal of England and France all materials necessary to stop 'the beast of Berlin'—Hitler. He has unleashed every destructive force within his power in an effort to crush civilization. He has bombed hospitals, ships of mercy and has relentlessly attacked innocent refugees—women and children—fleeing from his 'total war.'

"We should furnish our former allies badly needed planes, guns, ammunition, tanks and food, anything that is needed to beat down the hellish war machine of Hitler.

"Truly, we are living in the most perilous hour the world has ever known. Had our beloved World war president, the immortal Woodrow Wilson, been able to carry out his League of Nations plan, today's

war would not be. Had the United States, Britain and France maintained an international police force along the Rhine river, Hitler would have been unknown today. Germany would still be a republic and peace would prevail over the land where our revered dead sleep today."—Dr. Frank L. Turner, President McMurry College.

## BAPTIST CHURCH

We feed our bodies twenty-one times a week, whether they are hungry or not. Why not throw your soul a bone twice a week at least, even if it doesn't seem hungry? It may be too weak from starvation to make its wants known. Come to Church Sunday and give your soul a chance to feed on spiritual things. You need the help you will receive, and the church needs your presence.

Our need just now is a large number of people who will be faithful to the church and to Christ by attending regularly in spite of summer weather. If I could let you in on a secret, I could tell you that before so long, our building will be air conditioned. Workmen are on the job this week, and it may be ready for Sunday. Prospects are that our church will be one of the coolest places to be found. (We hope this is not true spiritually.)

We need 325 in Sunday School Sunday! The end of the quarter is approaching, and you will help us maintain our high averages. Come at 9:45 Sunday. Then at 10:50 we will have the morning worship service. The evening service will begin fifteen minutes later than it has been meeting. The new time: Training Unions, 7:15; Preaching, 8:15. Fellowship meeting for the young people is held after the evening service in the parsonage.

See you in Sunday School and Church Sunday.

—H. E. EAST.

The Herald acknowledges the receipt of an invitation to the marriage of Mr. John Garland Cooper in San Antonio, on Saturday, June 15. The young man is a son of Mr. and Mrs. M. G. Cooper, who formerly resided in Hamlin. His grandmother is Mrs. J. B. Adkins of this city. Garland will be married to Miss Ruby Helen Doerr. While living in Hamlin, Mr. and Mrs. Cooper operated a gents furnishing store and resided on Central Avenue.

## METHODIST CHURCH

Rev. John W. Hendrix, Pastor

J. Edgar Hoover is authority for the statement that our crime bill mounts to over 15 billion dollars each year. A startling statement, a tremendous bill; but it isn't to handle Sunday school kids, only one-half of one per cent of these ever appear in court. Yes, and just such an institution is among us, meeting each Sabbath morning at 9:45.

MORNING WORSHIP comes at 10:50. Yes, it usually meets at that time. Tho it is now summer; some are away and some of the saints remain at home drinking ice water and fanning. The services were well attended last Sunday. The pastor will deliver a sermon, using as subject "SACRED THINGS WHICH REMAIN." Something cannot be transferred, cannot withstand the attack of the enemy; but somethings do abide. You might enjoy it.

EVENING WORSHIP begins at 8 o'clock, and this service is reported to be interesting. The attendance is made up of a wide awake group. The District Superintendent, Rev. C. A. Bickley, will deliver the sermon, after which he will hold the third Quarterly Conference. A short conference, only requiring important reports.

LEAGUES will meet in regular session, 7:00 P. M. These Leagues are getting down to doing some important work. Mrs. Brooks is the faithful sponsor of the Intermediate League and of the Senior League the sponsors are Dr. and Mrs. Don Gould. These sponsors are chal-

lenging their groups to deep loyalty, challenging them by their faithfulness to their task.

### JUNE 13TH IS THE DAY

When all the church school workers, teachers, superintendents of schools and departments will meet at the Methodist church in a big, mass Workers Council. The District workers will be present, the District Superintendents will be in charge. Suppose you put this date on your day book—June 13th, 8:00 p. m.

### SUMMER ASSEMBLY

OF YOUNG PEOPLE

Is in session this week in McMurry College for all the Methodist young people of the Northwest Texas Annual conference. Of our local group Bob Jack Low and Floy Hudson are delegates. Rev. and Mrs. Hendrix have been part time attendants.

### Items of Interest

## OVER THE COUNTY

By G. D. TRIPLETT  
Sec'y. Anson C. of C.

The Commissioner's court met Wednesday and acted as a board of equalization. Presided over by M. E. Hudson of Anson the County Land Use Planning committee, composed of eighteen members, held their regular meeting on Wednesday night. A soil map of the county was explained to the group by J. W. Huckabee, soil specialist from A. & M. College.

### SCHOLASTICS FALL OFF

The number of scholastics in the county has been decreasing since the 1936 school year. This year there are only 5,811 scholastics with in the county as compared with 6,859 in the school year of 1936-37.

Scholastic enrollment for the past several years has been:

1935-36	6,814
1936-37	6,859
1937-38	6,602
1938-39	6,455
1939-40	6,048
1940-41	5,811

Thus the county has lost 1,048 scholastics since the 1936-37 school census. Perhaps the reason is that the county has lost in population—again the reason may be that it is not "fashionable" to have children (at least a large family) anymore. Examinations were being given Monday morning for the AAA Land surveying crews that will operate this summer from the ACA office.

Iris Pribble, of Hobbs, New Mexico, was here this week to visit his parents, Mr. and Mrs. L. B. Pribble. Mr. Pribble has been selected to represent the Hobbs Lions Club in the international Lions Convention, which will be held in Havana, Cuba in July.

Miss Florine Morgan went to Abilene, Thursday, for a weeks visit with her brother.

Miss Doris Pope  
Becomes Bride of  
Mr. George Kinney

The marriage of Miss Doris Pope, daughter of Mr. and Mrs. Bowen Pope, and Mr. George Kinney, son of Mr. and Mrs. J. H. Kinney of Stamford, took place Tuesday morning at 9:30 o'clock in the home of the bride's parents, with only members of the families and a few intimate friends present.

Rev. Henard E. East, pastor of the First Baptist church, officiated. The ceremony was read before an improvised altar of greenery entwined with roses and snapdragons, in front of the fireplace. Tall baskets of gladiola and snapdragons were at either side and a large bowl of the same flowers centered the fern covered mantel.

The wedding march was played by Mrs. W. C. Russell, and preceding the ceremony she sang, "I Love You Truly," accompanied at the piano by Mrs. Henard E. East.

The bride wore a dress of dusty rose with white accessories and a corsage of white orchids. For her "something old" she wore a cameo locket of her mothers. Her only attendant was her sister, Mrs. Richard Hinkle, of Midland, who wore a tailored dress of white sharkskin with a corsage of pink carnations.

The groom was attended by his uncle, Mr. O. A. Kinney, of Stamford.

An informal reception was held following the ceremony with Miss Eleanor Temple presiding at the cake and Mrs. J. Frank Johnson at the silver coffee service.

The table was laid with a lace cloth over yellow satin and centered with a crystal bowl of gardenias and yellow snapdragons on a reflector. The three tiered white wedding cake was decorated with brides roses and topped with a miniature bride and groom.

As the couple left for a trip to California, the bride wore a navy sheer redingote ensemble trimmed in white. Her hat and shoes were navy and she carried a white envelope bag and white gloves.

Mrs. Kinney is a graduate of Hamlin High school and holds a degree from Texas State College for Women in Denton. For the past four years she has been a teacher of Spanish and English in the Hamlin High school.

Mr. Kinney is a graduate of Haskell High School and attended N. T. S. A. College in Arlington. He is a graduate of the Dallas School of Embalming, and is associated with his father in the Kinney Funeral Home.

The couple will make their home in Stamford.

Out of town guests were Mr. and Mrs. J. H. Kinney and daughters, Miss Sue Kinney and Mrs. Ralph Ross and little son, Ralph Jr., Mr. and Mrs. O. A. Kinney and Alvy Couch of Stamford; Mrs. L. Purdy and Mrs. James H. Timmons, of Sweetwater; Mr. and Mrs. Richard Hinkle, of Midland and Carl Cook, of Haskell.

Mother and  
Daughter Banquet

The Fanny Lee Young Womens Association of the First Baptist church honored their mothers and special friends with a Mother and Daughter Banquet, Tuesday night, June 4, at 7:30 o'clock at the First Baptist Church.

Guests were greeted at the door by Miss Faye La Verne Howard, who asked them to register. They were then directed to the table where the Intermediate G. A.'s served under the supervision of Mrs. Lott Shell and Mrs. G. P. Odom. The Y. W. A. colors of green and white were featured in decorations and the menu.

Invocation was given by Mrs. H. O. Cassle. Greetings were extended by Miss Inez Howard with response by Mrs. J. C. Greenway. A duet, "Love Divine," was sung by Mrs. Lesley Shelburne and Miss Dorothy Fern Routh, accompanied by Mrs. H. E. East. Rev. East was principal speaker, using as his subject, A Single Purpose. The program ended with each one joining hands and singing Blest Be the Tie That Binds.

Those present were Mmes. E. C. Davis, E. Davis, W. L. Boyd, H. O. Cassle, Delma Shelburne, Les-

## Book Shop News

By Mrs. E. M. Wilson

The following names were added to the membership list at the Book Shop this week: Mr. Chas. Brown, Mrs. L. C. Denton, Miss Lennie Greenway, Mr. James Tate May, Miss Selma Hassen, Mrs. C. G. Green, Mr. Curtis Martin, Mrs. Silas Devenport and Miss Opal Cory.

Overheard at the Book Shop—She—Have you read Carlyle's Treatise on Burns? He—No, I'm not a medical student.

Miss Maxine Brundage, vacationing in Chicago, writes of attending a book review tea and hearing "Show Me a Land" reviewed—a beautiful story in a matchless setting—at the BOOK SHOP.

Mrs. Earl McLemore has just finished "The Nazarene," by Sholem Asch.

Miss Lucille Nicholson is reading, "How Green Was My Valley." The following are on the waiting list: Mrs. Bowen Pope, Mrs. M. Y. Wilson, Mrs. Stanley Carmichael and Mrs. O. K. Wilson.

What popular saleslady said she would never admit it if she had read "The Grapes of Wrath."

Mr. and Mrs. Weldon Johnson are in Rule this week. Mrs. Johnson is reading, "Maud" by Richard Lee Strout.

Mrs. Joe Simpson is reading, "The Yearling." (An unusual story and one that will live.)

Mrs. Doak McMahon said she quite reading, "Miss Susie Slagle's" because it was too anatomical for her. (Just what did she mean?)

"Doctor Hudson's Secret Journal" by Lloyd C. Douglas, has been read more than any other book in the Library by Hamlin readers.

Mrs. Wallace Walton and Mrs. Tate May invited guests into the dining room where Mrs. H. O. Cassle and Mrs. R. B. Wiar poured punch for the first hour and Mrs. Heflin Miller and Mrs. H. E. East for the second hour. Assisting in serving were Mrs. Harold Bonner, Mrs. Arlie Cassle, Mrs. Henry Albritton, Miss Koleta Adkins and Miss Clara Louise Shelburne.

Mrs. R. D. Moore directed to the register which was in charge of Miss Eleanor Temple and Mrs. Garland Tumlin.

Receiving in the gift room were Mrs. Stanley Carmichael, Mrs. Travis Dean, Mrs. Austin Poe and Miss Mary Boyd.

Piano selections were played by Mrs. Joe McCrary, Mrs. Lott Shell and Mrs. Leslie Shelburne.

Goodbyes were said by Mrs. Wiar and Mrs. Miller.

Miss Ovelle Pope and  
Mr. Clarence Whitten-  
burg Married

Miss Ovelle Pope, daughter of Mr. and Mrs. John Pope of Sweetwater, formerly of Hamlin and Clarence Whittenburg, son of Mr. and Mrs. E. K. Whittenburg, of Neinda were married on Sunday evening, May 26 at 6:30 o'clock, in Sweetwater. Rev. Sparkman, pastor of the Lamar St. Baptist Church performed the ceremony.

The bride wore a pink dress and hat with blue accessories. Only attendants were Marcia Pope and Joel Jones.

Mrs. Whittenburg will remain in Sweetwater and continue singing over station K X O X for a short time, after which she will join her husband who is a farmer in the Neinda community.

M. E. Young People  
Have "Tacky" Party

The young people of the Methodist church gathered last Thursday in the home of their sponsors, Dr. and Mrs. Gould for an evening of informal fun.

Everyone dressed "tacky." G. W. Turner, as "Lil Abner," and Hope Cade as "Daisy Mae" were chosen as best couple in costume.

The hilarious evening opened with a "Scavenger hunt," and upon returning to the house were forced to abandon the open-air party in the back yard due to threatening clouds. The evening was spent informally enjoying tables of various games.

Sandwiches, punch and ice cream served to twenty-seven climaxed the evening as planned by the young people's entertainment committee.

Mrs. M. Y. Wilson left Wednesday for Hollis, Oklahoma, to visit her son, Jack Wilson and wife. While away she will attend a family reunion at Hartshorne, Oklahoma.

FERGUSONS WON'T DENY MILK  
TO INSANE PATIENTS

Bread and milk have always been regarded as the basic food that sustains human life. With a loaf of bread and a bottle of milk, no one need starve to death.

Our present governor apparently agrees that bread is the staff of life, because he never overlooks a chance to advertise flour. He seems to regard milk, however, as a minor and unnecessary commodity.

When the last legislature appropriated \$12,000 to build and equip barns and purchase dairy cattle for the San Antonio State Hospital in order that the insane patients might have nourishing milk to drink, the governor promptly vetoed the item. When the legislature appropriated \$16,000 for the same purpose to be used at the Terrell State Hospital for the insane, his veto axe fell again.

This is the same governor who is broadcasting over the radio and through his private newspaper that the legislature prevented him from keeping his promise to the poor unfortunates of the State.

The Fergusons promise not to veto any appropriation which the legislature, in its wisdom, may see fit to pass for the alleviation of suffering among our insane.

"They thought they had me  
on the spot!"

I WORK for the electric company, and when I tell the boys rates have gone down, they say, 'Why don't our bills go down?'

"Now all those fellas pay money to bowl, yet they don't give it a second thought. I suppose because they see what they get. It would be the same if they bought an extra pack of cigarettes. But electric service, that's different. When they want to do somethin' nice for their wives they buy some electric appliance to make the housework lighter. Or they buy an electric razor for themselves. They get lots of comfort and pleasure out of those gadgets. But when the bills come in they forget how much they got for that money."

"The reason some bills don't go down is that most people use a lot more electricity than they used to. All the boys have electric light, a radio, a washing machine and a toaster in their homes, and most of 'em have electric ice-boxes and vacuum cleaners too. Yet it doesn't cost 'em much more, if any, to operate all those things than it used to cost for light alone, because rates have been cut just about in half during the last twelve or fifteen years."

"If we could sell electric service by the pound, people could see what they get. They'd realize how much they use and how many jobs it does. And they'd appreciate how much less it costs now."

"I'm glad to be in a job where I help people get more of the good things of life. All of us at the plant feel that way. We know people depend on us to give them better service for less money, and that's just what we aim to do."

EASIEST TIME TO CURE DRAFTS  
IS WHEN YOU BUILD!WATCH THESE THREE PLACES IF  
YOU WOULD STOP THEM

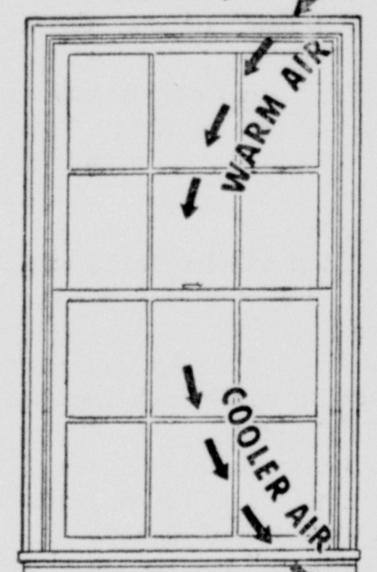

There is just no excuse for drafts in your new home, because drafts are definitely curable if you will watch just three places—and all three places are around your windows.

Poor wall joint between window frame and wall causes drafts (see arrows).

Poor fitting window sash allow cold air to leak in causing drafts (see arrows).

A single pane of glass cools warm air quickly. Cool air drops to floor causing drafts.

## Proper Fitting Necessary

Next in importance to window frame is the window sash (the part of the window that moves within the frame). Many home builders buy window frames in one place and sash in another with the result that the sash and frame never fit properly in spite of trimming and cutting on the job. And sash that don't fit properly cause drafts, and more drafts. The modern trend is towards what is known as complete window units that are delivered with frame and sash precision fitted to each other at the factory. Many of these window units are even complete with weatherstrip. In any event be sure that the window sash are fitted properly to the window frame and you'll eliminate another big source of drafts.

## Glass Cools Air

Now here is the third cause of drafts. It's warm air being quickly cooled against a single pane of glass. The cold air then drops to the floor. This flow of air causes drafts. What's the cure? A double pane of glass. Some windows are made so that this double pane of glass fits on the inside of the window, while the most common is the ordinary storm windows which are hung on the outside. Whether your double glass is inside or outside, the result is the same. The glass that is within the heated room is kept warmer by the dead air space between the double panes. Result: Warm air is not cooled so fast: no cool air—no drafts.

Talk over the mosquito problem with your nearest neighbor, and cooperate with each other in doing away with anything that will hatch out mosquitoes, and do it NOW.

Filthy water, has plenty of mosquito food in it to make 'em grow, and one female skeeter furnishes 1000 eggs or maybe 10,000. Water should be tightly covered or coated with oil. Do it NOW.

Mosquitos are a sign of filth, neglected sanitation, and pure cussed carelessness on somebody's part. Are YOU going to be a volunteer to fight mosquitoes in Hamlin this season, if so commence NOW.

## "Four-Sixes" Cowboys Will Attend Reunion at Stamford

Cowboys of the famous 6666 ranch of Gutherie are shown around their chuck wagon in the above picture made at the ranch recently. The boys from the "Four Sixes", headed by their foreman George Humphries, will attend the Texas Cowboy Reunion at Stamford, July 2, 3 and 4, taking the chuck wagon along as they do every summer. Ten or more chuck wagons from various ranches are expected at the Reunion.

It's getting to be an old ranch custom! After the spring round-up and branding are finished, bosses and cowboys load up the old chuck wagon and head for Stamford and the Texas Cowboy Reunion as a sort of vacation. There the ranch hands set up camp on a special reservation provided for that purpose. They eat at the chuck wagon, compete in the cowboy rodeo and take in the other attractions of the annual celebration.

W. G. Swenson, president of the Texas Cowboy Reunion, announced this week that all ranches are invited to bring their chuck wagons

for the eleventh annual Reunion on July 2, 3, and 4. All provisions, including groceries and meats, after the wagons reach the Reunion grounds, are furnished without charge by the Reunion management.

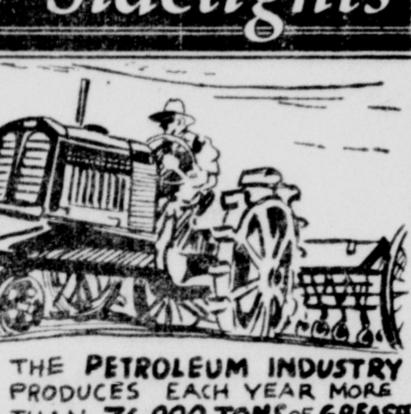

Employees and owners of the ranches bringing the wagons will be given chuck wagon passes. Visitors may have the novelty of eating at a chuck wagon but are required to pay for the meal.

Among the famous West Texas ranches which brought their chuck

wagons last year were the 6666 ranch of Guthrie, Matador Ranch of Matador, the Waggoner DDD ranch, Reynolds Land and Cattle Company, of Kent County, SMS Flattop ranch, of Stamford; SMS Spur ranch, Spur, and SMS Throckmorton ranch. Some of these have been coming every year since the Reunion was started. The Wichita Falls Chuck Wagons "gang" also brought their wagons, which is a typical ranch layout.

The chuck wagon camp is one of the interesting sights for Reunion visitors.

## BOYD CHAPEL CHIRPS

(By Mrs. L. F. Cozzen)

Our school closed last week with a very successful year. On Tuesday night we were glad to have Rev. J. P. Hardesty of McCaulley with us to address the seventh grade graduates. Immediately after the graduation exercises the play "Mama's Baby Boy," was presented. Wednesday there was an all day picnic and ball games galore. Both occasions were well attended by home folks and visitors.

Wednesday night we were entertained with the school program which was put over in a big way.

Mr. and Mrs. L. E. Cozzen and baby and Mr. and Mrs. L. F. Cozzen and Virginia attended Sunday School and church services at Neinda Sunday morning and had lunch

with Mr. and Mrs. Vaden Lester.

Ralph Tennen is on the sick list this week with rheumatic fever.

We are glad to have Misses Viva and Lola Milstead back in our midst. They have returned home from teaching school.

Jim Ferguson is on the plains, combining grain, at this writing.

Emma Sue Hennington of McCaulley spent Monday of last week with Virginia Sue Cozzen.

Miss Edna Maude Crow went home with her aunt, Miss Maude Prather of Neinda last week. We hope Edna Maude has a nice visit.

Mrs. Laughlin of Merkel visited her daughter, Mrs. Otis Young last week.

Mrs. Bill Maynard and family of Neinda visited her sister, Mrs. Thornton Bingham, Wednesday of last week and attended the picnic and ball games.

Mr. and Mrs. Wortham Crow had as visitors last week her parents,

Mr. and Mrs. Gibson of Snyder and a nephew and cousin from Snyder.

Mr. William Laughlin and family of Abilene visited Mrs. Otis Young the past week and attended the play Wednesday evening.

Mr. and Mrs. A. L. Haught of Hitson, parents of Mr. Luther Haught and a sister, Mrs. Johnson and children of Wichita Falls spent Wednesday with him.

Mrs. E. K. Whittenburg and Mrs. Charlie Bingham were in Sweetwater, Friday and Mrs. Clarence Whittenburg returned home with them.

Edna Haught of Hitson spent Wednesday of last week with her sisters, Mrs. L. E. Cozzen and Mrs. Jessie Hancock.

Mr. and Mrs. J. E. Killen and son John Ed of Roby and Mrs. Eason and children of Waco paid Mrs. Albert Haught a short visit, Sunday afternoon. They were on their way home from a family reunion at Dublin.

## Boyd Chapel Ladies' Softball Team Winning

The ladies' softball team of Boyd Chapel has played eleven games this season, and won eight, lost two and tied one. Games played last week were: Monday, Plasterco, 10, Boyd Chapel 10; Wednesday, Sylvester, 13 Boyd Chapel 15; Friday, Neinda, 14; Boyd Chapel 29; Monday, Anson 7; Boyd Chapel 16.

This team is managed by Oran Hodge of Carpenter Gap and is composed of girls from that place and Anderson Chapel. We were very glad to have Miss Lola Milstead return home from school and join our team. —Reporter.

## WISE CHAPEL NEWS

By Catherine Drake

Farmers are all busy with crops after the good rains.

Joyce Agnew, Lola Fay and Wanda Ray Ford spent last Sunday with Earnestine and Francis Jenkins.

Miss Neva Dell Neal spent Friday night with Miss Nadine Bingham, of Neinda.

Mrs. Minnie Bush of Abilene spent Saturday visiting Connie Drake and sisters.

Miss Margarite Riddle of Abilene spent the week end with home-folks, Mr. and Mrs. Ralph Riddle.

Mr. and Mrs. Elmo Flenniken Jr., of Abilene, Mr. and Mrs. Fred Danner and daughter of Lamesa and Mr. and Mrs. T. W. Flenniken and son spent Sunday with their parents Mr. and Mrs. Elmo Flenniken Sr., and family of Weinert.

Mr. and Mrs. Tom Neal and family spent Sunday with Mrs. Bingham and family of Neinda.

R. N. Adams of Kress, Texas and his daughter, Mr. and Mrs. Elmer McClury and son, Weldon spent the week-end with Mr. and Mrs. Dave Herbst and Mrs. J. J. Herbst.

Mrs. Gertrude Patterson and family visited Mr. and Mrs. Pete Patterson, Sunday afternoon.

Mrs. Dozy spent Sunday with her children in Nodle.

Mrs. Dozy is staying with Mrs. J. J. Herbst.

Mrs. Rufus Herbst was called to Abilene last week because of the serious illness of her father, Mr. S. E. Cozart. He passed away Thursday morning at 11:00 a. m.

Emil Ray Farmer is at home for the summer. He has been in school at Abilene.

## Vegetable Laxative With Proved Feature

The punctual, satisfying relief from constipation and its headaches, biliousness, bad breath, so often experienced by users of this laxative, is mainly due to its combination of purely vegetable ingredients.

BLACK-DRAUGHT'S principal ingredient has high medical recognition as an "intestinal tonico-laxative"; helps impart tone to lazy bowel muscles.

A little of this spicy, aromatic product by simple directions at bedtime, generally allows time for a good night's rest; acts gently and thoroughly next morning.

Next time, take time-tested, economical BLACK-DRAUGHT.

Miss Mary Emmett Greenway went to Canyon the past week to visit her sister Miss Carolyn Greenway who graduated from West Texas State Teachers College May 30. Miss Carolyn made the honor roll and was elected as a graduate member of the National Alpha Chi Society.
